

## Advocacy

NUCA aggressively represents the industry in Washington, D.C. Period.

## Networking Events

### NUCA Convention

The annual NUCA Convention is our biggest event of the year. Our members gather from all over the country to discuss business, attend educational sessions, and have fun.

### Washington Summit

The annual Washington Summit brings our members closer to their representatives on Capitol Hill.

### Safety Directors Forum

The annual Safety Directors Forum brings together utility construction and excavation safety professionals for networking and learning from experts to create and maintain accident-free job sites.

### Committees and Forums

Serving on a committee is a great way to gain expertise on the issues, build relationships, grow as a leader and a team member through experience, and help advance NUCA and the industry.
